EDUCATION

Durham University — Van Mildert College

Durham, UK

BSc Economics, FY: 2:1 | 2025 – Present | Expected Graduation: July 2028 (Penultimate Year 2026–27)

- Relevant Coursework: Global Financial System and Markets, Econometrics, Banking, Mastering Data and Computation (Excel, R), Microeconomics, Macroeconomics
- Involvement: Active Member, Economics/Finance Societies, and International Student Association — collaborating with a multinational peer group on campus events and cross-cultural programming

United World College of South East Asia (UWCSEA)

Singapore

International Baccalaureate (IB) Diploma | 2021 – 2025

- Higher Level Focus: Economics, Mathematics (Analysis & Approaches), Computer Science — studied within a global student body representing 90+ nationalities
- IGCSE: Economics (A*), Mathematics (A)

PROFESSIONAL & FINANCIAL EXPERIENCE

SMIFS Limited — Research Department

Kolkata, India

Macroeconomic & Equity Research Analyst Intern | July 2024

- Shadowed and directly supported the Research Department's lead analyst, drafting content for 3 institutional research notes and presentation decks on India's CPI/WPI inflation, trade balance, and RBI monetary policy shifts, prepared for internal and external use
- Partnered with senior analysts to build comparable company and precedent transaction screens across multiple policy scenarios, revising and organizing financial data into a repeatable framework used in client-facing output

Independent Equity Research Project — ITC Limited

Durham, UK

Financial Analyst & Valuations Modeler | March 2025 – Present

- Built a five-year segment-level financial model, FCFF DCF, FCFE/dividend analysis and SOTP valuation; triangulated a 372/share blended target against a 263.50 reference price, implying c.41% base-case upside
- Applied multiple linear regression to 65 monthly ITC/NIFTY/RBI observations; interpreted a ~ 0.94 market beta and $\sim 0.356 R^2$ while explicitly separating correlation from causation in the repo-rate result.

Portfolio: ayushchakraborty.com/research | Research write-up, model, valuation sensitivity, R analysis and project files.

LEADERSHIP & COMMUNITY IMPACT

JAAGO Global Concern, UWCSEA

Singapore

Elected Chairperson & Executive Co-Leader | September 2023 – August 2024

- Navigated repeated permission and approval delays that compressed the planning window for a first-time fundraising gala, coordinating a time-sensitive process across a 12-person committee to fast-track advertising, resourcing, and a funding pitch — still delivering the event successfully and raising SGD 2,100 for 60 students' tuition in Bangladesh
- Built PowerPoint decks and pitched the case for sustained investment to stakeholders, securing multi-year partner funding commitments and demonstrating the program's long-term impact
