Durham, UK | +44 7939 361983 | ayush.n.chakraborty@gmail.com | [LinkedIn](#) | [Portfolio](#)

EDUCATION

Durham University - Van Mildert College

BSc Economics | First-year result: Upper Second-Class Honours (2:1)

Durham, UK

2025 - 2028

- Relevant coursework: Econometrics, Banking, Global Financial Systems and Markets, Mastering Data and Computation (Excel and R), Microeconomics and Macroeconomics.

United World College of South East Asia

International Baccalaureate Diploma | Higher Level: Economics, Mathematics AA and Computer Science

Singapore

2021 - 2025

PROFESSIONAL EXPERIENCE

SMIFS Limited - Research Department

Macroeconomic and Equity Research Intern

Kolkata, India

Jul 2024

- Drafted analysis for three institutional research notes and presentation decks covering Indian CPI/WPI inflation, the trade balance and RBI monetary policy, translating economic releases into concise commentary for internal and external use.
- Supported senior analysts with company and transaction screening, organising financial data into repeatable comparable-company and precedent-transaction frameworks for client-facing output.

SELECTED TRANSACTION AND VALUATION EXPERIENCE

OCS / Mitie - £3.1bn Acquisition Analysis

Transaction Analysis

Independent Research

Sep 2026

- Evaluated 218.5p cash consideration and 221.6p headline value against Mitie's 151.0p unaffected price, quantifying a 46.8% premium and assessing strategic rationale, financing and execution risk.
- Modelled £50m-£150m illustrative synergy cases, leverage and deleveraging paths, separating publicly disclosed terms from analytical assumptions to judge whether the premium was defensible.

Thames Water - Restructuring and Recapitalisation

Restructuring Analysis

Independent Research

Mar 2026

- Reconstructed the creditor waterfall for a proposed £3.35bn equity injection and £3.25bn day-one debt structure, testing recoveries under a 30% Class A haircut and full junior-capital write-off.

ITC Limited - Equity Research and Valuation

Equity Research

Independent Research

Mar 2025 - Sep 2026

- Built a five-year segment model, FCFF DCF, FCFE/dividend analysis and SOTP valuation; triangulated a ₹372 target against a ₹263.50 reference price, implying approximately 41% upside.
- Analysed 65 monthly ITC, NIFTY and RBI observations using multiple linear regression, interpreting a 0.94 market beta and R-squared of 0.356 while distinguishing correlation from causation.

LEADERSHIP

JAAGO Global Concern, UWCSEA

Elected Chairperson and Executive Co-Leader

Singapore

Sep 2023 - Aug 2024

- Led a 12-person committee through a compressed approval and planning process to deliver a first-time fundraising gala, raising SGD2,100 toward tuition support for 60 students in Bangladesh.
- Presented the case for sustained funding to stakeholders and secured multi-year partner commitments while coordinating advertising, resourcing and event delivery.

SKILLS AND INTERESTS

Technical: Excel (financial modelling, XLOOKUP and advanced formulas), PowerPoint, Word, R (tidyquant and regression), SQL; Bloomberg Terminal (working knowledge).

Languages: English and Bengali (native); Mandarin Chinese (intermediate). **Interests:** Tennis, football, chess and drums.
